EXHIBITORS' BADGES

Experience shows that exhibitors wear their own badges. **This is why we do not produce exhibitor badges.** It is therefore up to each company to be present with a reasonable number of persons for an event of this kind. However, we are grateful if you **announce the number of persons in good time** to enable us to make suitable **catering arrangements**.

CATERING

All food and beverages which are served or sold on the stand must be procured from the Congress Kursaal Interlaken. External catering must be registered with the Congress Kursaal Interlaken: reception@congress-interlaken.ch.

All orders for booth furniture, technical equipment and connections besides the connection to the electricity supply (230V/16A) included in the boothprize as well as catering must be placed directly with the Congress Kursaal Interlaken on their [webshop](#).
